EXECUTIVE EDITOR

November 23, 1973

Memorandum to: HOWARD HANDLEMAN

From: MARVIN STONE

We were delighted to hear that Director Colby might be amenable to an invitation to lunch with us soon.

Would you offer three possible dates: Tuesday, December 18, Wednesday, December 19, and Friday, December 21. If none of these is convenient, we would take another look at our calendar.

Our thought is to have the Director and Mr. Angus Thuermer as our guests at our private dining room, joined by Howard Flieger, the editor; Robert Martin, the director of the foreign staff; you and me.

Conversation would be strictly for background.
